Description

Here is a superb mask from season 26 of Doctor Who "The Curse of Fenric" which has recently been released on DVD. This is a pull from an original mould and airbrushed by a professional FX artist to match the originals perfectly. The originals were made by Steven Mansfield and Susan Moore who were responsible for many Sylvester McCoy Dr Who monsters. There were four stages of Haemovore- showing the mutation from human to full vampire monster. This is a stage three monster- I recently aquired and sold a more human stage two haemovore but this one looks much better! Oversea bidders can use paypal- Uk bidders cheque preferred.
