### Description

#### Item Specifics

**Condition:** NewThis translation is provided as a service. eBay cannot guarantee its accuracy. [View Item Specifics in original language.](#)

You are looking at a latex, full size head of a Sontaran warrior as seen in the Two Doctors story. This is a "straight from the moulds" head made from thick latex but untrimmed and unpainted. This will require the eyes and neck base to be trimmed then painted to your tastes. You can also then add hair detail as required. Please note there are a number of air bubbles in the latex which can be easily filled with a little more latex or even paint. What more can I say this is a great addition to your Dr Who collection. This is offered with no reserve and a super-low start price because of the unfinished nature of the item. I have include a buy it now option and for that I will trim, paint and finish the head. Please allow 7 days after paying for this to be despatched. Of course if you win the auction as unfinished it will be despatched as soon as payment is made. Thanks for looking and please check out my other auctions for more great Dr Who items. Good luck.
