Description

Hi

I am thinning out my Doctor Who collection as i am moving and need the space.

This is a fantastic opportunity to own an original BBC Prop from the 7th Doctor era. This Android featured in a major scene with Ace from the McCoy story The Greatest Show in the Galaxy. Whilst

Ace is being held in the Android/Clown Workshop she is attacked by this Android. The Prop consists of a Silver Shirt, Neck Plate, Breast Plate and fantastic Face Mask. Also included is a great Android hand which also features in the scene grabbing Ace. The overall condition of the Shirt, Neck and Breast Plates is excellent. The Head has a few cracks mostly around the edge which could be easily repaired but I have left as original. Also the Glove shows perishing to the rubber parts of the Glove.

Overall a wonderful piece of Doctor Who history and would make a great addition to your collection.
