“A Stattenheim Remote Control - I’ve always wanted one of those!” A line spoken by the Doctor in ‘The Mark of the Rani’. Well, this is your chance to get hold of the very item the 6th Doctor always wanted but never had ! I am auctioning the ORIGINAL Stattenheim Remote Control prop as used by the Rani (Kate O’Mara) to summon her TARDIS in the Rani’s memorable 1985 debut story ‘The Mark of the Rani’ (soon to be released on DVD!!!) I believe that this was one of two Stattenheim props made for this story. This one was used on location at Ironbridge and was not required to light up. The other was used for studio work and lit up as the script required – I do not know if this second prop even exists today. Just like your TV remote that controls video, TV, DVD etc; the Rani’s remote not only summoned her TARDIS but throughout the story controlled and killed her slaves at will. I bought this prop at a charity auction held by the Dr Who Appreciation Society. The auction took place as part of the DWAS convention “Panopticon Nine” at Imperial College, South Kensington, London on Saturday 17th September 1988. The items for the auction had been supplied directly to DWAS by the Dr Who production office. Included in this auction is my original “Panopticon Nine” registration badge “No.078”, the convention programme, a Certificate of Authenticity detailing how I obtained the prop – which I have signed myself; and last but not least the Perspex display cabinet and card which I put together for a Dr Who display at our local museum a few years ago. A small woodscrew had been inserted into the underside of the control before I bought it – perhaps for display purposes? It’s possible that it may have formed part of a display at the Longleat or Blackpool Dr Who exhibitions between 1985 and 1988. The remote measures 10cm x 5.5cm approximately, while the display box measures 23cm x 13.5cm x 13.5cm. Insured UK postage will be £15.00. I am happy to post this item internationally, but unless I can find an insured international postal service I’m afraid it must be at the buyer's own risk - in this case I can obtain a "proof of posting" to prove the item has been sent but I cannot accept responsibility for any loss or damage. I would prefer payment by cheque, although I am happy to accept payment by PayPal PROVIDED YOU ARE WILLING TO PAY HALF OF MY TRANSACTION FEES. PayPal charge me 3.4% of the transaction – so for example a £100 transaction would cost £3.40 . Please feel free to email me any questions you may have. Items like this don’t come up for auction every day – so don’t miss this rare chance to get your hands on a genuine piece of Doctor Who’s history!! Happy Bidding!!!
