# DOCTOR WHO PROP

**THIS IS AN ACTUAL PROP FROM THE TARDIS TOOL KIT USED BY**

**JON PERTWEE**

**TOM BAKER**

**PETER DAVIDSON**

**I bought the prop at an auction 18 years ago.**

**I am the sole owner of this prop since it left the care of the BBC in 1988.**

**Donated by John Nathan Turner for auction at a small convention in liverpool...the proceeds of  
which went towards children in need.**

## The authenticating letter from J.N.T accompanying the prop is also included.

The prop has no light bulb and is exactly in the same condition i acquired it in...i have had an offer to have a bulb fitted as ive been told it would fit a standard pen torch bulb with ease, however i have kept the prop in the exact condition i recieved it in.

the end of the torch screws off for acces to bulb and batteries....

Two AA batteries being the size it takes.

The end of the pen torch has a minor mark on it, this is how i have recived it and have not tried to cover the mark or restore the prop in any way ...the prop is as it is from when it left the tardis tool box.
