Description

sfx tardis prop

up for auction is this fantastic special effects tardis prop that came direct from producer john nathan turners personal collection,this tardis is made of balsa wood and stands just short of 6 inches high,it was made for the production of dr who some time during the late 1970's early 80's after which it was on display in the dr who production office,items like this rarely come up for auction and is truly once in a life time chance to own a piece of dr who history,iv hidden details of the province in the photo so that they are not used else were but they will be given to the highest bidder,iv collected dr who props and costumes for 18 years and am well known in the collecting community and will guarantee this item for life any questions please email me or phone 07887837820.
