A fantastic opportunity to own a piece of television history! This is an original guard's costume from the 1979 Tom Baker story, The Creature from the Pit.

The costume comprises two pieces, zipped jacket and elasticated trousers. The costume is in excellent condition with no tears or rips. It's a really luxuriant burgundy colour which simply doesn't come out on the photos. I bought it a while back from somebody who obtained it from one of the BBC auctions back in the 90s.

It really doesn't look its best hanging on my bedroom door so I've included a couple of pics of it 'in action'. Far preferable, in every sense, to a picture of me wearing it.

Please note that due to the rarity of this item it will be sent Special Delivery (please be assured it will be well packaged).

Original series gear really doesn't come up that often so bid now for this very handsome costume.

I call it... the costume!
