**This unique and original Edgeworth/Azamels costume as worn by Maurice Denham in Dr Who's 'The Twin Dilemma', 1984 starring Colin Baker as the 6<sup>th</sup> Doctor.**

It is in good condition with a few signs of age. The costume consists of tunic and sleeveless gown with gold thread sewn in and a tapestry band at the base ( velcro fastenings at the back) and there is a brown leather belt with hook and eye fastenings -T there are a few heavy marks on the inside of the belt which gives away the secrets of BBC magic!

A rare opportunity to get hold of an excellent piece of costume made by and for BBC's TV series Dr Who. It was designed by Pat Godfrey and it will make a superb addition to any costume collection.

It was originally bought at the classic BBC's Dr Who Sale Bonhams on May 11, 1991 – Lot No.61. It is a perfect item to add to any costume /sci – fi collector or a fan of Dr Who's – Classic series

Starting bid: **GBP 100.00**  
(Approximately US \$180.35)
