## DR WHO

### ORIGINAL DR WHO GUN PROP

Episode: 'Warriors Gate'

This is a wonderful opportunity to own a very rare screen used prop from the hit TV series Dr Who.

The prop is cast from aluminium and is very heavy. Due to metal being so hard to replicate in this way there is no doubt this item is the original. It was part of the BBC's props during the 70's and were used in various shows, including Blake's 7.

The prop items are in very good condition. The overall condition can be seen in the pictures provided.

*We obtained this piece and the other props in our auctions through our many contacts within the film industry in both the UK and USA.*

**This would be a great item for any movie fan or collector!!**

[CLICK HERE TO VISIT OUR EBAY STORE](#) or see our other auctions.

**We have original props and genuine autographs from ALIENS, STARSHIP TROOPERS, STAR WARS, STAR TREK and many more cult tv shows and blockbuster movies!**

**Please Note: Recommended last posting dates to the USA:**

Standard and recorded airmail - 10th December, insured parcelpost - 16th December.

Weight when packaged: 2.2kg. (approximate postage costs can be found on the royal mail and parcelforce websites)

Worldwide shipping will be by Recorded Airmail or Parcelforce. Standard Airmail is also available, but if you choose this method of shipping we cannot take any responsibility for loss or damage.

Postage within the UK by Recorded First Class, Special Delivery or Parcelforce

If you buy several items we can ship them together and save on postage!

Cash payment can be made in any major currency but due to excessive bank charges [international money orders and bankers drafts](#) **MUST be in British pounds**. We also take payments by Paypal or credit card directly, and can arrange for a bank transfer on items over \$500.

For British buyers we can also accept personal cheques.

Once the auction has finished we will contact the winning bidder with full details of payment and shipping, and a reply must be sent within 3 days. Non-paying bidder warnings WILL be posted on all winning bidders who do not contact us or arrange payment within 2 weeks.

*Please note: unwarranted and unreasonable bid retractions will no longer be tolerated, and WILL be reported to e-Bay immediately. Sorry to be so strict about this, but we have had several problems in the past with unnecessary and malicious bid retractions and non-paying bidders. I understand that most people who use E-Bay are decent, but there are always some who try to spoil it for everyone.*
