Description

The original metric studio plan for the production of Doctor Who, episode: Dragonfire. This is from day two of shooting, 8/13/87. These never make it out of the studio, so it's extremely rare to even see one of these. 1:50 scale. Basically it's a map of where all the sets (Ice Garden, Crystal Passage, Zircon Aircraft, Alien Chamber, Jabolites, etc.) are in the studio. An interesting item that is one of a kind. No Reserve! Thanks!
