Description

This is a one off opportunity to obtain a piece of Dr Who history. The designers' set model constructed for the special story The Two Doctors. It is a bit battered with age but it is completely unique and a beautiful piece of work, created to show exactly how the Hacienda set would fit into the studio at Television Centre. The model was used in the planning stages by the director and on the studio day to check the sets had been put up as planned.

This will need careful shipping, at the buyer's expense. Payment accepted includes cheques, money orders and sterling if sent at buyer's risk.
