Description

Doctor Who

THE MASQUE OF MANDRAGORA*by Louis Marks***Aired on BBC1 4th September 1976 to 25th September 1976****108 pages***plus***THE SONTARAN EXPERIMENT***by Bob Baker and Dave Martin***Aired on BBC1 22nd February 1975 to 1st March 1975****57 Pages**

Hand typed, loose leaf post production archive script, bound in a plain green A4 folder. pages. Excellent condition for age, only slight yellowing of paper, no creases or other wear. This was used in the BBC Archive Dept, pre-computer database, as a record of the aired episode.

As some of you who have followed our previous auctions may know, a few years ago we bought the personal collection of Ms Sheila Lorraine, who worked in the BBC archive department in the 1970s and 80s. Ms Lorraine had aquired a considerable amount of BBC paraphernalia, particularly regarding science fiction programmes that aired at the time - Blakes 7, Dr Who, Star Trek, etc.

Whilst most of the collection has now been resold to collectors around the world, we were keeping hold of

the Doctor Who items as we were negotiating a deal with the Dr Who Shop in London. They unfortunately don't have the funding to purchase it, so we have decided to break it down and auction the items seperately. See our other auctions for similar items. This is a unique opportunity to own a one-off piece of Dr Who history, and one that is unlikely to present itself again! Good luck!
