1965 DALEK KITE WITH ORIGINAL TAIL AND STICKS

I have only seen this item once before on ebay. This is an original plastic kite from 1965 in used condition. Considering its age this has wonderfully survived the test of time and until recently was still soaring high above the sky. Low starting price but there is a reserve as I know this is a collectors' item. This is a must for any serious collector or anyone interested in the original Daleks and DR. WHO!! This is from the time it first started and is definitely worth a bid. Hole in the middle of the kite with some age marks but this does NOT stop it from flying. See pictures for condition.

Payment by Cheque please or Postal Order. With the reported problems with PayPal I have decided unfortunately not to use them unless you are happy to pay for tracking for this item and have a confirmed address.
