When I was but a child this was the Rolls Royce of Doctor Who Toys. Comes with a set of 16 colour slides all with a different Doctor Who story. The projector is intact, in very good condition and is fully working. Full set of slides. Some slightly bent with age but perfectly useable (Please see picture). The box is in reasonable condition for its age. The corners have split but the artwork is brilliant. There is what appears to be a biro mark over the picture of the doctor (please see picture) but the rest is fine, if a little faded with age and slightly grubby.

Great addition to any vintage "Who" collection.
