### Description

## 1960s Cherilea Swoppet Dalek.

[This is a nice example of a Cherilea Swoppet Dalek figure from the mid-1960s. The figures were made to be taken apart so you could swap the various](#)

coloured pieces with other Daleks. (Which sounds like a cunning ploy to make sure that you bought more than one!) As is unfortunately common, he has lost his eye-piece. On the plus-side, he still has the other two attachments. The Dalek's head and main part of the body is Gold. The middle section is green and the attachments are blue + orange. He measures 2½" high and is in very good clean condition with no feathering or bite marks etc.

Postage in the UK is 50p.  
Worldwide airmail is £1.50.

It is impossible to be an expert in all realms of collecting, and I am honestly representing the item(s) to the best of my knowledge and ability. I ask that you read the description and examine the photos carefully. I also encourage you to ask any questions you may have during the auction to help clarify identification or condition, as I may inadvertently omit information that you as a collector feel is important.

I will email the winner soon after the auction. When you first email me **PLEASE include your postal / shipping details.**

### Payment

**UK WINNERS** - I accept cheques, postal orders cash. I also reluctantly accept PayPal but if you are in the UK I will request that you send a cheque / postal order etc. The reason for this is explained on my About Me page.

**OVERSEAS WINNERS** - If using PayPal please pay in GBP and add the worldwide airmail charge stated above. I accept US dollars in cash, and I am willing to accept money orders / cashier's checks if this auction goes above \$15. No personal checks please.

I cannot accept the **green** US Postal Service money orders which are only for use in the USA and cannot be cashed in England. If mailing payment in dollars please contact me for the converted postal cost after the auction. If you want to pay in Euros please contact me.
