An extremely rare opportunity to purchase this Doctor Who collectable. The Dalek Oracle is very similar to the magic robot game, but with a Dalek theme.

Copyright on the box lid states 1965, so it is in very good condition for 40 years old.

All parts are present, quiz sheets are unmarked and Dalek is complete. Lid is very slightly battered with a rip in one corner, but really very minor damage.

Please do not hesitate to contact me if you need further information.
