Doctor Who entire video collection

This auction is for **179 Dr. Who videos**

The tapes included in this auction represent every Dr. Who story released on VHS by the BBC. There are several which there are more than one version - e.g. an original and a later re-release.

This collection is complete, with all BBC boxed sets as well as both WH Smith boxed sets. With one exception (7 Years) every tape is the UK release version. All tapes are PAL VHS.

One other point to note is that the the original Unearthly Child and The Daleks tapes are signed by Verity Lambert (Dr. Who producer) with best wishes to me (Philip).

Some of the tapes are in mint condition, having never been opened and watched. Other tapes have been watched many times, and please bear in mind that some of these tapes are over 20 years old!

This collection has taken me almost 20 years to complete! Although I am sad to see this collection leave, it is for the purpose of raising money for a wedding fund so I can marry my fiancée next year. Please take a look at my auctions!

Finally, I am selling this collection as a collection - please do not e-mail me asking about buying individual tapes!

Please see the complete list of tapes below. If you have any questions please feel free to e-mail me.

Bidding:

Before bidding on an item, please see my terms relating to payment, postage etc. below.

If you do not agree with my terms, do not bid!

Please only bid on an item if you are a serious bidder. If you are an international bidder, please realise that postage is high for international postage - I have seen situations where international bidders pay more in postage than the item is worth. If you are unsure - contact me and I will try to provide you with an estimate.

If you have a feedback rating of 5 or less, please contact me before bidding. I appreciate that everyone starts so I have had a few bad experiences with new users in the past.

Please do not bid if you have a negative rating. (By this I mean your overall rating - we all have the odd negative whatever reason).

Payment:

I accept payment by postal order, banker's draft, cash (at sender's own risk). Due to high fees I regret that I would not take Paypal for this item. I am also happy to arrange for cash on delivery for larger items.

[Payment must be made within 7 days of auction end.](#) If sending payment by post, please be good enough to let me know when payment is posted, so I can keep track.

I only accept payment in GBP. I have no facility to bank cheques/money orders etc. in USD or Euros without incurring bank fees. If you are an international bidder, please send either a bank cheque in GBP - which is most likely the most expensive, or better yet use paypal!

Sorry to make a rather obvious point, but if I receive a foreign currency cheque it won't be the first time!

Postage:

My normal postage terms seem somewhat irrelevant. This item is huge, and extremely heavy! I am prepared to : but be aware that it will be costly, and a lengthy process.

For internal UK, I am happy to send via courier, but I do not know at this stage how much that will be. Also, I am up/deliver to somewhere within easy reach of Birmingham, once payment is cleared. Lastly, item can be collecte home at a mutually convenient time.

Please contact me if you have any questions!

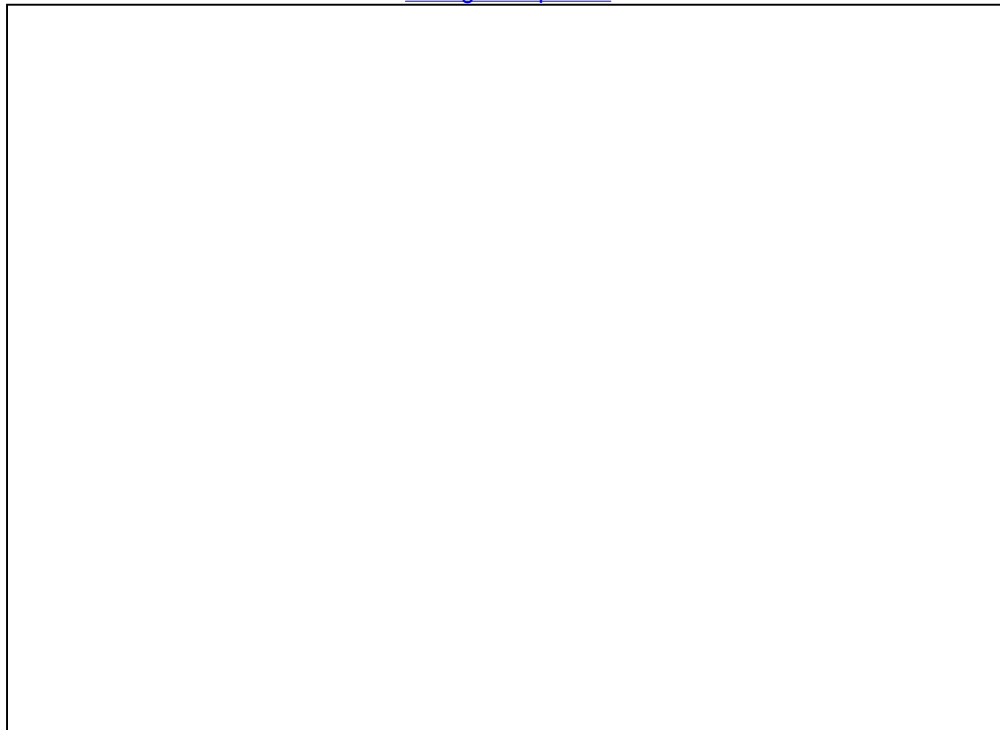

Feedback:

I will leave feedback once payment has cleared.

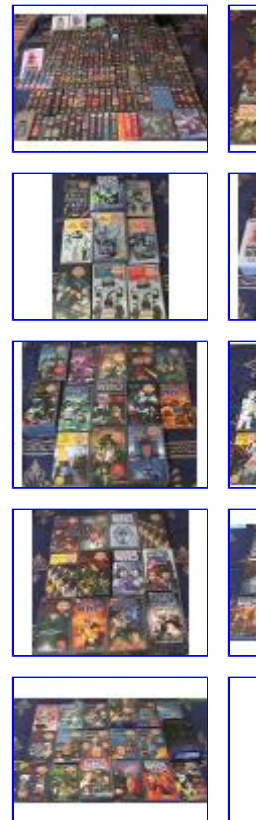

If you are happy with your item, please leave me positive feedback.

If you are unhappy with your item, please contact me to discuss. As stated above, items which do not arrive, or and were not insured are not my responsibility. I will send through a copy of the Proof of Posting - and it is up to seek compensation from Royal Mail. If you do not like this - buy the insurance!
